Fruin Farm

A little about us...

Tucked away in beautiful countryside, a mile from the shores of Loch Lomond, Fruin Farm provides the perfect backdrop for laid back, intimate weddings, with an emphasis on bespoke. With stunning views and superb locally sourced Scottish cuisine, coupled with a desire and flexibility to make your day as special as can be, we have created a truly beautiful and atmospheric setting in which to get married.

Our farm and barn

Fall for the rustic charm of our 200-year-old barn or, if you prefer, sit back and savour the ever-changing vista of hills and loch from the farmhouse steading. Or use both: dine in one and dance in the other, the choice is yours.

Our traditional barn provides the ultimate blank canvas, limited only by your imagination. Complete with its very own atmosphere, you're welcome to dress the barn yourself, or let us do it for you. Our team will help you create the perfect setting in which to get married.

Testimonials

"We would like to say thank you so much to Rebecca, Wayne and the team for making our wedding reception more special than we could ever have hoped for. The farm is a unique and idyllic venue and Rebecca had decorated the barn so perfectly for us! Our wedding was quite small and the barn created such a warm and intimate space to enjoy our meal and celebrations!"

Speaking of the meal, it was one of the best meals we have all ever had and everyone is still talking about it, so many compliments to the chef!

We really couldn't recommend Fruin Farm highly Enough; we planned our wedding from Sweden and nothing was too much trouble. Rebecca and Wayne couldn't do enough for us and made everything so easy and stress free!"
